After a hard-working school year, my friends and I decided to go on a trip to Phu Quoc Islands last summer. We all went there by plane. Because there are so many fun activities to do in Phu Quoc, we decided to spend about five days staying there. We stayed in a hotel in the center of the city. On the first day, we visited many famous tourist attractions on this island, such as VinWonders Phu Quoc amusement park, Grand World Phu Quoc, Phu Quoc National Park, and more. We took a lot of pictures. Additionally, we also ate Bun Quay, which is a signature noodle dish of Phu Quoc and ate a lot of seafood here. On our last

day on this island, we bought some souvenirs and specialties for our families and friends. To sum up, the trip was very amazing and I wish I could go there again soon!

I always enjoy summer. Do you? In summer, I like to relax and forget about school. I don't have to get up early and I can see my friends any time I want.

My holidays are usually with my parents. We go to different places in Britain and sometimes abroad. In Britain, I like going to Devon, Somerset and Scotland - but my favourite place of all is Yorkshire. It has lovely countryside and fantastic old buildings. The only problem is the weather!

Last summer, I had two holidays. One was in Somerset, in a little village by the sea, and another was in Naples, in Italy. I went with my mother to Italy - by train! The journey took twenty-eight hours.

Patrick, 12, Britain

It's hot in the United States in summer. In Washington State, it doesn't rain much, but it still stays very green.

During summer, we love to swim, life in the sun, go camping, and spend nights at our friends' houses. We usually go somewhere with our parents. Last year, we went to California for the first part of summer and then to Disneyland. We also looked at international stars in Los Angeles. We met Nelly Furtado!

After a rest, we went to Maine and Massachusetts with our mom, sister, and a friend. We stayed with our grandfather in Massachusetts, and then we went camping in Maine. We played on the beaches, and went sailing.

Kate, 12 and Jane, 14, USA

1. Last summer, Patrick went to Italy and the journey took 29 hours.

At first, I was nervous speaking English, but now it's fun to use English to buy tickets and order food. On Saturday, I watched a hockey game. Canadians are crazy about hockey. I talked to a Canadian guy named Troy. He explained the rules of ice hockey to me. I enjoyed the game a lot more once I understood it better. He gave me his email address, so I'll write to him soon. I'm coming back to Vietnam next week - I wish I could stay longer so I could practice my English more.
